

**Teaching suggestions for use with See for Yourself Sculpture:**

The suggestions below are intended to be used before or after visiting the Saint Louis Art Museum and Laumeier Sculpture Park, or they can stand alone when used with the electronic program [See for Yourself: Sculpture](#). The suggestions are written to be used in grades 5-8, but most can be adjusted up or down for all ages. Each activity has been cued to appropriate Missouri Assessment Program standards for performance and content.

**This is just a sample of the wonderful curriculum guide put together by the St. Louis Art Museum and Laumeier Sculpture Park.**
